STATEMENT IN COMPLIANCE WITH 37 C.F.R. § 1.98(a)(3)(i)

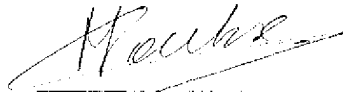

Sir:

The attached foreign language patents—EP0935145A, WO02/13231A, DE8815418U1, and WO0206723A, are supplied due to their possible relevance as these references were cited in a Supplemental Search Report and written opinion (the Report) for related European application number EP03724539. A copy of the report in the English language is also attached. Neither Applicant nor Applicant's representative has read a full English language text of these patents and, therefore, cannot assess their full relevance. The Report compares these references to the claims pending in European patent application number EP03724539.

Applicant does not necessarily agree with the conclusions in the Report and reserves the right to distinguish over those references by arguments and/or amendments should any reference be applied in the present application.

Respectfully submitted,

Date: 02-21-2008
